Action 17 (BD)

Bill to find out the actual date for the start of CMFA As regards my action concerning the CMFA founding date, I can only go by memory that it was sometime in October, 1990. We met at Paul French's house (he then lived next to The Crusty Cob [though called Brown's Bakery then]) and I believe it was the only time we met at a house. Thereafter it was pubs only! The minutes of the first meeting were duly recorded by me and when I stepped down as Secretary about 10 years ago I know these minutes were still in the records I handed over to the next Secretary (I think Alan Kimber) and should hopefully be in the Secretarial files (at the very beginning if archived chronologically). As you are now the Secretary (temp) perhaps you (or Joy) have these files. Please give me a call if you would like some further assistance on this, otherwise happy hunting. Regards Bill 29.10.2015 Bill is taking up the search with Joy.
